# Sit & Stitch

Have you ever wanted to try crochet but don't know where to start?

Join us to meet crafty friends and learn new skills.

Led by local crocheters, we will learn some basic stitches and create our own granny squares.

Once you master the granny square, you can expand upon the design to make anything from bags to blankets.

Please bring any crochet supplies you have, however we will have spare crochet hooks and yarn to help get you started.
