

Artist:

a person who creates art

There are 7 different forms of art

Painting

Sculpture

Literature

Architecture

Cinema

Music

Theater

Sometimes artists make art
just for people to
enjoy

Art for enjoyment

However,

sometimes artists make

art with

more than one

purpose

An artist created this large sculpture.

It was created to be

beautiful

but...

can you
guess what **else**
this sculpture was
designed for?

It was also
designed to be:

a slide!

a playground!

Sensory Tool

Calming Music

Sculpture Table

Glass Lamp

Mosaic Chair

Stained Glass Window

Educational Book
